**Now Available!**  
**Alarm Lock's Complete Turnkey 1 & 3Amp Power  
Supply Kits for Security Applications**

Amityville, NY – Alarm Lock Systems, Inc., a respected leader in security and locking technologies has developed Alarm Lock Power, a comprehensive family of high-value, high-performance power supplies. Most recently, two turnkey all-inclusive models have been added, a 1.5Amp and 3Amp 12/24V Power Supply Kits ideal for mags, electric strikes, etc. Available at Alarm Lock Distributors near you, both the ALP-12V3A-KIT (3amp) and ALP-12V1A-KIT (1.5amp), come pre-mounted in a locking metal enclosure and include a transformer and backup battery for added installation convenience.

The Alarm Lock Power line of supplies feature superior performance, true to their rated current and built to last, are manufactured with precision and high quality standards & have superior RFI/EMI immunity and surge/noise protection. Alarm Lock stands behinds all these power products with a lifetime-limited warranty. For more information on Alarm Lock Power, ask your local rep, distributor or call 1-800-ALA-LOCK. Also visit our website at [www.alarmlock.com](http://www.alarmlock.com).

**About Alarm Lock Systems, Inc.**

For more than three decades Alarm Lock Systems, Inc. has built a strong reputation as a respected leader in the design and manufacture of electronic and mechanical access and egress control products. Alarm Lock is the choice of prestigious universities, leading retailers, top chain stores, hospitals, laboratories, airports and office facilities - everywhere secured access or egress is a concern. Alarm Lock's wide range of electronic access locks has pushed all the right security buttons for security directors, business owners, and facility managers, who know that Alarm Lock's keyless access dependably promises time-automated security and a wealth of management information. Meanwhile, Alarm Lock's door alarms and panic exit hardware devices remain a security industry staple. Alarm Lock Systems, Inc is a Napco Security Group Company publicly traded on NASDAQ: NSSC.
