

GVI Security Solutions Samsung Video Surveillance Solution Selected by Large New Jersey City

CARROLLTON, Texas, June 16 /PRNewswire-FirstCall/ -- GVI Security Solutions, Inc. (OTC Bulletin Board: GVSS), a leading provider of video security surveillance solutions featuring the complete Samsung Electronics line of products, announced that they had been selected to provide a Samsung Electronics comprehensive video surveillance solution to the Police and Fire Departments of a large New Jersey City.

The GVI Samsung video surveillance solution for the Police and Fire Departments of this city is part of a project to create a city wide surveillance network including Samsung cameras and Digital Video Recorders (DVRs) in fixed and mobile installations which will be networked, managed and monitored on the GVI Samsung NET-i platform.

"We have been seeing expanding interest in Latin America, and the United States in deploying advanced citywide video surveillance networks," said Joseph Restivo, GVI Chief Operating Officer/CFO. "We look forward to working with the public safety agencies in this large New Jersey City as they implement their plans to deploy a reliable and effective GVI Samsung citywide surveillance system."
