## **KEYWATCHER ILLUMINATED**

Morse Watchmans Inc., announces the introduction of its new **KEYWATCHER ILLUMINATED** System. The redesigned system now offers more storage, convenience and overall, extra value.

Illuminated slots make it easier to identify the proper keys. Designed with functionality in mind, the new rugged design utilizes less wall space while blending in with today's office environments.

- Illuminated slots easily identify keys
- Return keys to any location
- Rugged, functional design uses less wall space
- User interface controls various access devices
- Ergonomic design offers ease of use
- Backed by industry-leading warranties
